Re: WBI Energy Transmission, Inc.
Docket No. CP17-257-000
Valley Expansion Project
Bi-Weekly Status Report – Report No. 2

Dear Ms. Bose:

WBI Energy Transmission, Inc. (WBI Energy) herewith submits its Bi-Weekly Status Report No. 2 for the Valley Expansion Project, in compliance with Environmental Condition 8 of the Appendix to the Federal Energy Regulatory Commission's February 15, 2018 Order Issuing Certificate in the above referenced docket. The attached report addresses the period March 3, 2018 to March 16, 2018.

Should you have any questions or comments regarding this filing, please call the undersigned at (701) 530-1563.

Sincerely,

/s/ Lori Myerchin

Lori Myerchin
Manager, Regulatory Affairs

cc: Robin Griffin, FERC

WBI Energy Transmission, Inc.
Valley Expansion Project Bi-Weekly Status Report No. 2
FERC Docket No. CP17-257-000

Reporting Period: March 3, 2018 through March 16, 2018

A. Update on Federal Authorizations

WBI Energy has obtained all necessary federal permits and authorizations required for construction of the Valley Expansion Project.

On March 12, 2018, WBI Energy received a Notice to Proceed (NTP) to use the Spring Prairie, Minnkota, Bishop, and Kost Laydown Yards in Clay County, Minnesota and Cass County, North Dakota.

B. Construction Status

The NTP for the Spring Prairie, Minnkota, Bishop, and Kost Laydown Yards has been issued; however, no work has commenced at these locations due to snow cover and weather conditions.

A summary of the construction activities completed for the pipeline facilities during the reporting period will be provided in Table 1.

Work planned for the next reporting period:

- No work is planned during the next reporting period.

Schedule changes for work in environmentally sensitive areas:

No schedule changes for work in environmentally sensitive areas were identified during the reporting period.

C. Problems/Instances of Non-Compliance Encountered

No problem areas or instances of non-compliance were encountered during the reporting period.

D. Corrective Actions Implemented

No problem areas or instances of non-compliance were encountered during the reporting period; no corrective actions were required.

E. Effectiveness of Corrective Actions Implemented

No problem areas or instances of non-compliance were encountered during the reporting period; no corrective actions were required.

F. Landowner/Resident Complaints and Response

No landowner or resident complaints were received during the reporting period.

G. Correspondence Received for Non-Compliance and Response

No reports regarding non-compliances were received during the reporting period.

H. Additional Items

None.
