

COMMITMENT

WBI Energy and its employees are committed to being good corporate citizens and developing positive, long-term relationships with neighbors.

COMMITMENT TO LANDOWNERS & COMMUNITIES

- WBI Energy is committed to open, proactive and ongoing consultation with landowners, communities and other stakeholders to ensure they learn about the Wahpeton Expansion Project and share their views.
- WBI Energy values stakeholder input.
- WBI Energy will provide stakeholders with accurate and timely information and keep them informed of key project milestones.
- WBI Energy will document and evaluate stakeholder input for inclusion in its FERC application.
- WBI Energy is committed to working closely with affected landowners to arrive at fair and equitable easement agreements.
