

STEWARDSHIP

WBI Energy is committed to protecting the environment during all project phases and will work with landowners, communities and other stakeholders to minimize impacts to the environment and communities.

CULTURAL RESOURCES

- Survey, identify and assess cultural resources.
- Avoid historic and prehistoric sites where possible.
- Prepare site-specific mitigation plans.
- Monitor during construction.

POTENTIAL WILDLIFE

- Whooping Crane (picture below)
- Dakota Skipper
- Northern Long-Eared Bat
- Poweshiek Skipperling
- Western Prairie Fringed Orchid
