Re: WBI Energy Transmission, Inc.
Docket No. CP20-52-000
Docket No. CP20-52-001
North Bakken Expansion Project

Dear Ms. Bose:

WBI Energy Transmission, Inc. (WBI Energy), hereby informs the Federal Energy Regulatory Commission (Commission), in the above-referenced dockets, of WBI Energy's intent to submit the following supplemental information on or before September 11, 2020 to assist Commission staff in the preparation of the environmental assessment for the North Bakken Expansion Project, as amended.

- Revised impact tables, figures, and applicable text for Resource Reports 1 through 10 based on route adjustments that have been made since the February 14, 2020 Application
- Revised Project Plans including:
 - Spill Prevention, Control, and Countermeasure Plan
 - Noxious Weed Management Plan
 - Plan for Unanticipated Discovery of Historic Properties or Human Remains during Construction
 - Plan for Unanticipated Discovery of Paleontological Resources during Construction
 - Horizontal Directional Drill/Guided Bore Drilling Fluid Monitoring and Operations Plan
- Revised Biological Assessment and Biological Evaluation that address agency comments and incorporate route adjustments that have been made since the February 14, 2020 Application
- Revised Dakota skipper survey report and U.S. Forest Service sensitive plant species memo
- Revised Wetland/Waterbody Survey Report

- Revised Cultural Resources Survey Report (Class III Inventory Report) for studies completed in 2020
- Geomorphological Assessment Report
- A plot plan of the WBI Energy facilities at the interconnect with Northern Border Pipeline Company

WBI Energy will also contact any new landowners impacted by the supplemental information and include communication documentation in the September 11, 2020 filing.

Pursuant to 18 CFR § 385.2010 of the Commission's regulations, copies of this submittal are being served to each person whose name appears on the official service list for this proceeding.

Should you have any questions or comments regarding this submittal, please call the undersigned at (701) 530-1563.

Sincerely,

/s/ Lori Myerchin

Lori Myerchin
Director, Regulatory Affairs and
Transportation Services
